

Fairville teachers Kim Alberta and Sophia Detweiler will be sharing the leadership of Camp Aka Maka for summer 2024. Our friendly team of counselors includes Fairville teachers and assistants, returning Camp Aka Maka counselors, college and high school students. Children are supervised by adult counselors at all times, allowing us to create a safe, nurturing, and fun camp experience for all.

We look forward to seeing you at camp!

Fairville Friends Summer Camp program is filled with imaginative and creative child-centered activities, with ample time for exploration and discovery learning in our beautiful outdoor play yards!
